Newfriend & Resident Development Program (NRDP 01)

Act No. 0004
April 08, 2026
Authors: **Snowclimb**

Preamble:

This Act builds upon the previous Subsidised Newfriend Development Program of Arx as a state program intended to support the lawful onboarding, settlement, and integration of Newfriends and Residents. Arx recognises the value of helping new arrivals understand the Nation, become established within it, and transition into constructive public participation.

Article 1. Purpose

a. The purpose of this Program is to encourage this successful integration of Newfriends and Residents into Arxian life.
b. The State should seek, where practical, to assist new arrivals in understanding Arxian systems, settling lawfully, and becoming active and constructive participants in the Nation.
c. The Program may also support the transition of promising individuals into public contribution, community activity, and longer-term membership.

Article 2. Establishment of the Program

a. The state may maintain a Subsidised Newfriend Development Program for the benefit of Newfriends and Residents.
b. Support under this Program may include orientation, guidance, settlement assistance, introductory resources, limited subsidy, or other practical help as resources and circumstances permit.
c. The exact form of the Program may be adapted over time according to operational need.

Article 3. Discretionary Nature of Support

a. Support under this Program is discretionary and shall not be guaranteed as a right.
b. Assistance may vary according to available resources, national priorities, staffing, security considerations, and the conduct or circumstances of the individual concerned.
c. Nothing in this Act shall require the State the provide any specific quantity, value, or form of aid.

Article 4. Relationship to Status and Other Law

a. This Act doesn't by itself grant Resident status, Citizenship, Praetorship, Sensitive permissions, or any other legal standing.
b. Matters relating to Resident permits, Citizenship, Praetorship, approvals, restrictions, and access shall remain governed by the applicable laws of Arx.
c. Where this Act overlaps with a more specific law, the more specific law shall prevail.

Article 5. Administration

a. The Program may be administered in such a manner as the Central Council or authorised state bodies consider appropriate.
b. Operational procedures, onboarding guidance, support practices, and related materials may be established or updated outside this Act.
c. The State is encouraged to review and improve the Program from time to time so that it remains current, efficient, and useful with the Nation's actual needs.
