

Declaration of Friendship
Under the C.U.B.

The Technocratic State of Arx
&
The Empire of Pavia–Griffin

09/08/2025

The two parties come together with open arms to agree not only to the five co pillars of the C.U.B. but to further their relationship with a declaration of friendship.

The peoples of the Technocratic State of Arx & The Empire of Pavia-Griffin are united in their desire for close country companionship and wish to establish integral ties through infrastructure, economic and diplomatic endeavours.

Both parties sign this declaration to pursue the core pillars of the Council of Universal Betterment to which the Parties have agreed.

Both parties sign this declaration to provide additional incentives and support to improve economic outcomes for Parties.

Both parties sign this declaration to deepen diplomatic and economic ties between the Parties.

C.U.B. Pillars

1. **Declaration of Friendship**

    a. The signatory nation commits to a public declaration of friendship between Arx and Pavia-Griffin, recognising our common interests.

2. **Recognition of International Borders**

    a. The Technocratic State of Arx and The Empire of Pavia-Griffin recognise the international borders of both nations and agree to resolve any future border disputes through diplomatic means.

3. **Commitment to Infrastructure**

    a. The Technocratic State of Arx and The Empire of Pavia-Griffin commit to the pursuit of infrastructure projects that promote connectivity between Pavia and Arx by road, rail, ice and sea.

4. **Commitment to Economic Ties**

    a. The Technocratic State of Arx and The Empire of Pavia-Griffin commit to strengthening economic ties between the two nations and promoting businesses in both nations.

5. **Commitment to Universal Betterment**

    a. The Technocratic State of Arx and The Empire of Pavia-Griffin commit to being open to support new players and to support the citizens of both nations where possible.

6. **Commitment to Engagement**

    a. The Technocratic State of Arx and The Empire of Pavia-Griffin commit to engaging with the Council at organised in-game events where possible to further cement ties between nations.

Goals of the Declaration

The goals laid out below are to be done sequentially.

1. Maintain infrastructure connections between the Parties

a. The intent of this objective is to establish and maintain the **direct**, **bi-directional** rail connection between the developed territories of the Parties.
b. For the sake of reliability and security, this rail connection may not be added to any existing /dest networks, or modified in the future to become part of a /dest network and must remain as a rail connection exclusively for the purpose of commuting between the two signatories without the use of any command.
c. This rail must be accessible by the general public.
d. Pavia-Griffin is responsible for maintaining the connection point within the City of Pavia and keeping the line accessible to the public in Pavia.

2. Maintaining a commercial presence in the City of Pavia & Phillipi

a. The intent of this objective is to grant citizens of Arx and citizens of Pavia-Griffin greater access to the international market by opening shops in the City of Pavia and Phillipi.
b. The Empire of Pavia-Griffin is responsible for providing a free shop space within the City of Pavia if Arx does not have one already.
c. The Technocratic State of Arx is responsible for establishing the shop, stocking it with goods and maintaining good stock levels in accordance with the rules laid out by the Pavian Chamber of Commerce.
d. Arx is responsible for providing a free shop space within Phillip if Pavia does not have one already.

e. The Empire of Pavia-Griffin is responsible for establishing the shop stocking it with goods and maintaining good stock levels in accordance with the rules laid out by the Arxian Government.

3. Establishment of Embassies

a. The intent of this objective is to further cement ties between citizens of the Technocratic State of Arx and the Empire of Pavia-Griffin
b. The Empire of Pavia-Griffin is responsible for providing a free space or established building within the City of Pavia for Arx to establish an embassy.
c. The Arxian Government is responsible for furnishing the building in the City of Pavia.
d. The Technocratic State of Arx is responsible for providing the Empire of Pavia-Griffin with a free space or established building within the capital to build a Pavian embassy.
e. The Empire of Pavia-Griffin is responsible for furnishing the embassy within Phillipi.
